Right This Way...

WINTER weather on its way—
"Get well covered" is our say.
Ice and snow and sleet and hail—
Put some cars and trucks in jail.
Winds will blow and drifts will
pile—
Take it all with a beaming smile.
Winter Proofing—is what we give
That trucks and cars may really
live.
Engines tuned to a pleasant song
Bumpers tight, (and nothing
wrong).

Brakes that never slip or pull,
Lights that beam with power
that's full.
Why not get yourself this cover—
Bodies clean and bright all over.
Go ahead and buck the breeze,
Your cooling has its anti-freeze.
Your pleasure will not easily spoil
For you have winter grease
and oil.
Get this cover is what we say
You can get it **Right this way.**

considerable improvement this
week, Arlington is still far
away from its \$7500 goal. Wil-

Those who received dimes
cards are again urged to return
them before the drive closes.
It is planned to make a house-

To Announce Plans For Christ Crusade

After having held a series of
four weekly conferences, the Cru-
sade Committee of Trinity Bapt-
ist Church has prepared a two-
year program of Evangelism for
their Church. This program will
be presented to the church at the
service of worship next Sunday
morning.

Charles F. Bunnell, Jr., of 40
Windsor st., is now associated with
the Arlington News staff. Mr. Bun-
nell was graduated from Arlington
High School and is now studying at
Boston University where he is
majoring in journalism.

The special Town Commit-
tee appointed to study and
recommend changes in the
form of Arlington's town
government will recommend
sweeping changes in the setup
of various departments to the
annual town meeting sched-
uled for next month.

The special committee, headed by
Roscoe O. Elliott, has been study-
ing the problem since it was ap-
pointed, in accordance with a vote
of the annual town meeting last
March. The committee has investi-
gated and studied other forms of
municipal government and is firm-
ly of the opinion that Arlington's
standard representative town meet-
ing government is best adapted to
the present needs of the commu-
nity, the report states. Therefore,
such drastic changes as adoption
of town manager form of govern-
ment, have been ruled out.

However, the special committee
will recommend, among other
things:

The merger of four departments
with the board of selectmen, a
larger board of selectmen, an ex-
ecutive officer appointed by the
Selectmen to be administrative
head of the combined depart-
ments, centralization of purchas-

MOHANDAS KARAMCHAND GANDHI

By REV. ROBERT M. RICE

Last week a shot was fired that was heard round the world. This time the shot resulted in the sacrifice of that one who had so lived that millions of people thought of him as The Mahatma; that is the great soul. This title was the highest kind of tribute to his character.

Mahatma Gandhi was a Hindu, but Jews and Christians alike would gladly claim him as their own. He was the noblest non-Christian Christian of the ages. His spirit was too great to be bounded by any one religion. He was a man of God who saw in all men glimpses of the divine.

For many years his passion has been to aid India in gaining her freedom and to bring the spirit of peace and brotherhood among the divided peoples of India. He lived to see the first aim accomplished. He died serving the second. His method of passive-resistance was no mere negative pacifism. It was rather a positive attitude and method of peace, love, forgiveness, and good will. The world is looking toward India and Pakistan, hoping that the supreme sacrifice of the Mahatma may bring those people to the spirit of forgiveness and consideration.

It is easy for us to condemn those of the other side of the world. They should live together in peace and harmony. What about our selves? What about the people in the United States? What about religious and racial minorities? Lynching and race riots are too frequent in our nation to allow thoughtful persons to be complacent. Individual prejudices which make living together very difficult are too near the surface of too many minds. We are concerned about India about which we can do little. Are we concerned about America? Are we concerned about our own thoughts and reactions in the matter of prejudice, fear, hate, and the consequential inconveniences, hardships, injustices, and disasters that minority groups often suffer?

Mahatma Gandhi, through his character and ideals, speaks to all the world, pleading for those divine ideals which Godlike religious leaders ever have proclaimed and lived. The spirit of the Mahatma shall live with the divine influences of the past and present until in some far off day men shall live in harmony with God, and the Kingdom of God shall reign upon the earth.

KNOW YOUR TOWN GOVERNMENT

This is the time of the year when town affairs take the spotlight. Announcement of candidacies for town offices, endorsements of various candidates, reports of special town committees and the warrant are favorite topics of discussion. They all deserve more than passing attention.

Newcomers to Arlington are especially urged to take an interest in their town government. Many who have lived here for years have been negligent in this matter, too.

Speaking to the Citizens' Committee Monday night, Chairman John H. Greim said that the committee "would demand good government." He added that it was not enough to put up candidates for office and then forget them the rest of the year. Citizens should make every effort to become familiar with all the candidates and with the issues before the town meeting. It's the first step towards good government, and good government means lower taxes.

Attention is called, particularly, to the partial reports of two special town committees which appear in today's NEWS. We urge our readers to take town government affairs seriously, to read these reports and to weigh the qualifications of candidates for office.

WORK WELL DONE

The Arlington police are to be congratulated upon their fast and efficient work which resulted in the arrest of an armed robber within 10 minutes after he held up a gasoline station attendant here during the past week.

Such routine police work as the tagging of automobiles or stopping motorists for violations of traffic rules and regulations is often looked upon as "a soft job." However, the police are expected to cope with far more serious cases, of which last Thursday night's holdup is an example. From the lieutenant in charge, down to the patrolmen who took up the chase, all showed keen judgment and a readiness to meet any situation.

Particular praise is due Patrolmen Hourihan and Greeley who displayed unusual courage in pursuing the man who was known to be armed. Their work reflects great credit upon themselves as well as their fellow officers.

New \$600,000 School Will Be Recommended

Construction this year of a new school in the Morningside district, which is expected to cost \$600,000 will be recommended to the annual town meeting by the special Town Committee on Advanced Programming and Budgeting, the NEWS learned this week.

For the year 1948, the Committee will recommend appropriations for capital outlays, that is, new construction of all kinds for the town, in the amount of nearly \$900,000. Of this amount, the major item is for the new school. A warrant article will be introduced to take care of this. The balance is made up of sums for water mains, sewers, underground cables and similar items, including an additional amount of \$40,000 for the building of the Town Hall addition.

The Committee proposes financing this by borrowing \$200,000, by using \$100,000 of war bonds, taking \$100,000 from available funds and raising about \$500,000 from the tax levy.

To Publish Full Report

These figures are incorporated in the committee's complete report which will appear in the NEWS prior to the first session of the town meeting on March 10.

The Committee on advanced Programming and Budgeting, of which Professor Warren A. Seavey is chairman, was instructed to tell the town what its requirements are likely to be for the next six years and what these will probably cost. With this knowledge the citizens can decide the amount they can afford to spend and, if they

cannot afford all they would like to have, the things which they regard most important.

Among the expenditures it is obvious that the regular functions of the town must go on. Fire and police protection, the rebuilding, cleaning and keeping in repair of streets, sewers, water mains, the collection of ashes and offal, the maintenance of schools, libraries and parks, these come first.

Seek Stable Tax Rate

Beyond these things are the expenditures for capital outlays, that is, for new buildings or the extension of old ones, the building of new sewers, water mains and streets as will be needed, and other similar large and permanent improvements. At this moment the town faces large expenditures for new school buildings and the improvement of old ones. This comes at a time when expenditures for ordinary operations are high and the cost of building great. The committee recommends a limited program for building in the year 1948, with preparations made for future years. It suggests times at which future expenditures can best be made for such improvements and the choices to be made among them, as the situation now appears. It suggests a method of financing so that the tax rate, though high, will remain reasonably stable throughout the period.

Chairman of the Committee on Advanced Programming and Budgeting is Professor Warren A. Seavey. Other members are S. J. Basmajian, Henry Halpin, Hallam T. Ring and Elwyn Mariner, secretary.

Brotherhood Week

Representatives of more than 34 Arlington organizations met in the hearing room of the Robbins Town Hall last Thursday night to make further plans for the mass meeting to be held in Robbins Town Hall on Feb. 26 in observance of Brotherhood Week in Arlington.

Rev. Robert M. Rice is chairman of the local committee which is working in conjunction with the National Conference of Christians and Jews.

Committee chairmen appointed at Thursday's meeting are:

Arthur J. Mansfield, publicity; Walter Kenney, service clubs; Mrs. Arthur J. Mansfield, Arlington Woman's Club; Mrs. David Kennedy, Lend-A-Hand; Mrs. Carolyn B. Reed, Red Cross; Mrs. Boyd PTA; William Hanlon, fraternal groups; Evelyn Meyer, church groups; and Hallam T. Ring, political groups.

Expressing the Brotherhood Week committee's thanks to the representatives who attended the meeting, David Governor, secretary of the committee, said:

"Here is our answer to Communism, Fascism, and all the other 'isms', both foreign and domestic which are so contrary to our American way of life. Here, in Arlington, is active and living proof that people from all walks of life, the D. A. R. and the Hadassah, the Parents and Teachers Associations and the Girl Scouts, the Protestant, Catholic, and Jew can assemble and work in one common cause—the furtherance of Brotherhood among men. It bodes well for the success of our undertaking."

The NEWS OBSERVES

Fire in a fuse box in the basement of Cole's Drug Store Friday night caused some excitement, but, fortunately, no damage. It was discovered in time by the store manager who summoned firemen.

Rev. Laurence L. Barber was in Cooperstown, N. Y., over the weekend where he lectured to members and faculty of the Knox School for Young Women. On Tuesday evening of this week he appeared as lecturer for the annual Gentlemen's Night of the Woodsville, N. H., Women's Club. Wednesday he was at the Evening Club in Brattleboro, Vt., and on Thursday was presented in the lecture series of the Worcester County Horticultural Society at Worcester.

The Holy season of Lent will start next Wednesday with special services planned by both Catholic and Protestant churches. Ashes will be distributed at Catholic churches. All Protestant churches will combine in a Communion service at the Pleasant Street Congregational Church at 7:30 a.m.

A candidate for the title of the world's meanest thief stole \$10 worth of groceries from a car in a parking space at Heights Friday night, it was reported to police.

Scouts, Senior Scouts, Scouts and Cubes of Sachem Council will appear in a special broadcast over station WCOP tomorrow at 12 noon in conjunction with the observance of Boy Scout week.

Miss Margaret Wheatley of Arlington was selected as queen of the Fitchburg State Teachers College Winter carnival held last week-end. Miss Wheatley is the daughter of Mr. and Mrs. John L. Wheatley and is a graduate of Arlington High School.

William Sullivan, mathematics teacher at Junior High West, is giving some of his students free ski instructions which have been received enthusiastically. Mr. Sullivan is a ski instructor at Leominster.

Streets, plowed to a single car width, continue to be extremely dangerous for pedestrians throughout the town, and Wednesday night's storm hasn't helped matters any. Even Pleasant st., and Highland ave.—both heavily traveled—have been pointed out as

danger points. Unfortunately, sidewalks have not been plowed or shoveled and there is hardly any room, left to push back the snow. Autoists must be on the alert for the safety of pedestrians, especially children who are forced to walk in the street.

Philharmonic Society Director Plans Concert Version of Opera

A meeting of the board of directors of the Philharmonic Society of Arlington was held Jan. 28 at the home of Mrs. Morand F. Caldwell, president.

Leo Litwin, conductor of the Philharmonic Society, outlined suggestions for a novel and interesting Spring concert to be held on April 8, instead of the date previously announced. The board approved plans to give a concert version of an opera. Mr. Litwin has been busy examining the scores of several operas which lend themselves to such an arrangement.

Soloists already selected, in addition to Louise Vosgerchian, pianist, are Alice Farnsworth, Arlington's favorite soprano, and Morton Bower, well known Metropolitan Opera tenor.

Plans for a dinner to be given in honor of Leonard Wood, director of the orchestra and chorus for many years, who resigned recently, were approved.

Discussed and voted upon was the establishment of a scholarship

fund and it was agreed to launch a drive for this purpose in the near future.

The purchase of tympani stands and sticks was also approved.

Delegates were sent to represent the Philharmonic at a meeting of the Brotherhood Week Committee on Sunday.

Participating in the forum were three other well-known Massachusetts business leaders who discussed the subject, "Reducing the Cost of Federal Government".

The group outlined the growth of the Federal budget from four billion in 1933 to over 39 billion for the coming fiscal year, and outlined means by which Federal spending could be curtailed without impairing any essential governmental services.

V. F. W. Members Give Blood to Veteran

Requests for blood donors for Walter Wing of 282 Mystic st., who is critically ill at the West Roxbury Veteran's Hospital, were handled through the office of Robert Fitzgerald, Service Officer of the Department of Veterans' Service in Arlington.

Mr. Fitzgerald, who is also Service Officer of Arlington Post No. 1775, V.F.W., immediately obtained volunteers who donated their blood on Tuesday. The donors were: Robert Fitzgerald, Fred Fitzgerald, Joseph McNamara, Charles Smith and Richard Hoyt.

This is one of the many type services that can be obtained through the local office of the department of Veterans' Services, located at the Robbins House, Arlington Center.

CHURCHES OF CHRIST, SCIENTIST
"Spirit" is the Lesson-Sermon subject for Sunday, Feb. 8.
Golden Text: "Ye are not in the flesh, but in the Spirit, if so be that the Spirit of God dwell in you" (Romans 8:9).
Sermon: Passages from the Bible King James Version) includes: "Be ye therefore followers of God, as dear children;... For ye were sometimes darkness, but now are ye light in the Lord, walk as children of light;... Proving what is acceptable unto the Lord" (Ephesians 5: 1, 8, 10).

Changes
(Continued from Page One)

ing and the appointment of a fulltime assessor.
The committee's recommendations follow:

I
The Merger of Four Departments with the Board of Selectmen.
These four departments are the Board of Public Works, the Board of Survey, the Board of Park Commissioners and the Tree Warden. The duties and functions of these departments would be vested in and assumed by the Board of Selectmen.

While there is no available yardstick to measure possible savings under this proposal, we are convinced, however, that a streamlined, non-duplicating integration should give the taxpayer more for his money. Under efficient centralized management there is even good reason to believe worthwhile savings should be realized.

To make this proposal effective, legislation must be introduced. Our Board of Public Works, with its attendant functions, namely, surveyors of highways, water and sewer commissioners, was authorized by the Legislature Jan. 28, 1904, and accepted by the town on Feb. 8, 1904. Another enabling act will be necessary if this 1904 Act is to be superseded.

II
Increase in Membership of the Board of Selectmen.
If these departments are to be merged, then we recommend that our present Board of Selectmen be increased to five for the following reasons:
a. to apportion better the burden imposed on the present Board.
b. to reflect better the will of the voters in an enlarged department.

III
The Employment by the Board of Selectmen of an Executive Officer to be Administrative Head of Departments Integrated.
A successful business corporation is managed usually by a board of directors who set the policy. They employ an executive to manage and direct actively their business.

Any person who has served on a board in our town government will agree that our boards are much like corporate boards of directors. Our board members are part time men gaining their livelihood in other fields of endeavor, but performing their civic duties honorably and commendably in their spare time.

We urge, therefore, that our Board of Selectmen, as constituted in the preceding paragraph, appoint an executive officer, sworn, for a term of three years, subject to removal for cause by the Board,

ARLINGTON FLOOR CO.
NOW LOCATED AT
120 Boylston Street
Boston, Mass.
Tel. DE 8-9483

after reasonable notice and opportunity to be heard at a public hearing.

This executive officer should be the full time administrative head of all departments under the authority of the Board of Selectmen. He would be responsible to the Board, but have complete authority over all of their departments. He should be bonded. He should be thoroughly familiar by training, experience and education with municipal problems. Subject to approval by the Board of Selectmen, he should appoint all appointive department heads, under the authority of the Board of Selectmen, except the members of the Zoning Board of Appeal and the Board of Appeal under the building code. His compensation would be fixed by the Board of Selectmen not to exceed the amount provided for in the budget.

IV
Centralization of Purchasing
Under our present system purchases are made by each department independently. Many identical items are, therefore, purchased over different periods by various departments.

We do not suggest a purchasing agent or department be set up, with the red tape involved. It could conceivably cost more than it would save. However, the executive officer of the Board of Selectmen should control the purchase of all supplies, equipment and materials, for all town departments, except books and educational equipment for the schools and library. He could delegate to department heads, if he thought it advisable, such purchases as were routine, but retain major purchases in his own hands.

V
The Appointment of One Full-Time Assessor
Our three assessors are part-time men. Many cities and towns approximating the size of Arlington have full-time assessors. In an industrial community this may be desirable; in ours, largely residential, one full-time assessor could, we believe, earn his salary many times over. The full-time assessor should be a man who could follow through the work initiated by the Board itself. It has been admittedly impossible for part-time men to make individual changes in assessments from time to time. His initial salary should be set by the Board of Selectmen, and thereafter handled in the Assessors Budget. He should be appointed by the Board of Selectmen, and be removable for cause only after public hearing.

VI
Method of Putting Suggested Changes Into Effect.
For the purpose of making effective the foregoing suggested improvements in the form of our town government, we recommend the introduction at the present session of the Massachusetts Legislature, of the following bill:
An Act Authorizing the Selectmen of the Town of Arlington to Exercise the Powers of Surveyors of Highways Road Commissioners, Water Commissioners, Sewer Commissioners, Board of Park Commissioners, Tree Warden, Board of Public Works and Board of Public

Survey; Increasing the Number of said Board of Selectmen to Five Members; Providing for the Appointment by said Board of Selectmen of a full-time Assessor and an executive officer; and requiring the submission of budgets for departments of said town before a certain period.

Other members of the special committee which is recommending the changes in the town government are Robert M. Boyd, Lawrence E. Corcoran, secretary of the committee; John S. Crosby, J. Howard Hayes, Harold E. Mag-

nuson, Joseph Peterson, Warren A. Seavey and Arthur P. Wyman.

RACE RELATIONS SUNDAY
Race Relations Sunday will be observed at the Park Avenue Congregational Church this Sunday at eleven o'clock. Miss Blanche Kimoto of Boston University will speak on "Wherein Lies Tolerance?" The choir will sing "Worship" by Shaw.

Dente's Florida Views to Feature Meeting of Friends of The Drama

"Colorful Florida," in natural color photographs by Anthony Dente, will feature the business meeting of the Friends of Drama at their clubhouse next Sunday afternoon at 3 o'clock. In addition to these pictures, Mr. Dente will present views of dramatic productions of the club taken during the past years as a part of the Silver Anniversary season program. Refreshments will be served by a committee headed by Mrs. Kenneth Miner.

Remaining reserved seats for the presentation of Gilbert and Sullivan's "The Mikado" on Feb. 18, 19, 20, 21, will be allocated to club members.

Rehearsals for the most popular of Gilbert and Sullivan operas are in full swing, and Director Edward W. Center announced the complete cast for the first time this week. Old favorites, who will return in Gilbert and Sullivan roles, include Donald Sullivan, brilliant young tenor who was recently soloist in Arlington's performance of "The Messiah." Sullivan is no stranger to the Friends of the Drama stage, having essayed leading roles in Pinafore, Trial by Jury, Cox and Box, and The Gondoliers. Lorraine Clifford, well-known in dramatic parts for the Friends, will be heard for the first time in a leading soprano singing role, that of Pitti-Sing, one of the famous "three little maids." Roger John Krohn, an outstanding member of last year's cast of "The Gondoliers," will play the title role in "The Mikado." The role of Pooh-Bah will be played by Theodore Schoonmaker, a veteran of last year's cast.

Newcomers to the Friends stage include Mary Roper, singing the leading soprano role, and Jean Welsh Drake, another of the "three little maids." Both are recent high school graduates, and sang principal roles in the productions directed by Hassler Elzing. From Pittsburgh come Lee Davenport,

playing the part of Pish-Tush, and his wife, Anne Davenport, who will sing Katisha. Both were members of the famous Pittsburgh Savoyards, so are well-versed in Gilbert and Sullivan traditions. They are new members of the Friends of the drama, and are already active in many departments of the Arlington organization.

The chief comedy burden in the popular show will be undertaken by Robert Collier. He is a G.I. student at the Boston University College of Music, and recently made a tremendous hit there in a principal comedy role in the "Yeomen of the Guard." Unlike most comedians, Mr. Collier has a fine voice, which will be heard to advantage in the popular "Tilt-Willow," and other favorite tunes.

Completely original stage settings of a very unusual nature have been designed by, and are being painted under the direction of Leo MacDonald. Mr. MacDonald is one of Boston's best-known commercial artists and designers and his touch will add greatly to the beauty of the production.

For the first time in many years, the Friends of the Drama will offer a children's matinee of "The Mikado." As this show is especially popular with children, the matinee is planned to take care of the many youngsters who will want to see the production. The matinee will be presented on Saturday, Feb. 21, at two o'clock.

Business Men Hear Talks on National Affairs

Eighteen members of the Arlington Chamber of Commerce, including representatives of local banks, attended the national affairs conference sponsored by Chambers of Commerce in this district and held at the Masonic Temple, Medford, Wednesday evening.

The local delegation included Arthur J. Mansfield, president, and Mrs. Mansfield; Timothy W. Good, Jr., Norman C. Jenkinson, Mr. and Mrs. Benjamin F. Hickey, William W. Doe, John F. King, R. Curtis Hamilton, Everett C. Bryant, Jesse M. Hutchinson, Burton Harrison, W. Bradley Corson, Mr. and Mrs. Laurence P. Bliss, Mrs. Mary T. Bunker, Miss Isabelle Gratto, secretary, and Maurice L. Hatch.

Principal speakers were Bert Welbourne, national affairs advisor of the Chamber of Commerce of the United States; and Laurence Whittemore, president of the Federal Reserve Bank of Boston.

Speaking on "The Road to Better Government," Mr. Welbourne said we should see to it that we got something worthwhile out of the Marshall Plan. Urging business men to make themselves heard in legislation, he said most were agreed that the Taft-Hartley Bill was a step in the right direction, but that business men were not present to support the legislation while labor was there in force. Scarcely a business man showed up to assist sponsors of bills designed to cut the Federal budget, he added, this despite the fact that members of Congress value the opinion of Chambers of Commerce.

He urged the appointment of a national affairs committee by each Chamber and that issues of interest to each community be placed before representatives in Congress. "Go after good government just as you go after good business," he concluded.

Mr. Whittemore in opening his address, said the time had come when business men should consider what to expect from government. He added, "The Government produces nothing; it is wholly our expenditure and we should weigh it carefully. Government power has been expanded and at some points it encroaches on private business. 'Business would like a reasonable stability of wages and at the same time the business man would like to profit by steady employment.'"

Speaking against hasty public works expenditures, Mr. Whittemore said such expenditures can add to the inflationary spiral when labor might better be used in private industry. Business men, he said, find themselves competing for labor used on public work. The result is shorter hours and larger pay detract labor from private industry. So, public works projects in time like these should wait.

He said in New England the employer is more interested in the well being of his employees than many labor leaders in other sections of the country. Labor and management have the potentials of proper relations if government does not meddle with the process. Industrial wages have practically doubled since 1938, he said.

Symmes Hospital Board Elects Davis President

Newly-appointed administrator of the Symmes Hospital, who made his first report to the board of trustees on Monday evening.

Florist to Address Local Garden Club

"Hearts and Flowers" is the theme chosen for a demonstration and informal talk by George Scott, which will be given at the meeting of the Arlington Garden Club next Wednesday afternoon at the Robbins Library Hall. Mr. Scott is associated with Ramsdell's Flowers and is an authority on flower arrangements. Refreshments will be served. Tickets for the Spring flowers show will be available to members at this meeting.

State Regent to Visit Catholic Daughters

Next Monday evening State Regent Mary A. Healey will make her annual visit to Court St. Agnes, Catholic Daughters of America, at American Legion Hall. It will also be the Court's Good Neighbor Night and Mrs. Anna Ryan has been appointed chairman in charge of entertainment and refreshments.

The regular meeting for Feb. 23 has been cancelled because of the holiday.

A representative of the Eastern Air Lines was guest speaker at the meeting of the Arlington Kiwanis Club yesterday noon.

The success of a business man should not depend on his contacts with politicians, he stated. On the other hand, business should be protected from subsidies given one section of the country at the expense of another. Ridiculing the proposed billion-dollar St. Lawrence project, Mr. Whittemore said businessmen do not want the government to further devalue the dollar or their savings through government spending. The savings of New Englanders exceed those of any people anywhere in the country, and they should be protected, the speaker concluded.

Ernest W. Davis, Town moderator and former Selectman, was elected president of the Symmes Hospital at the annual meeting of the corporation and board of trustees held in the directors' room of the Arlington Cooperative Bank on Monday evening. Mr. Davis succeeds Philip A. Hendrick, who has served as a trustee since the hospital was founded, and who declined re-election as president. Mr. Hendrick will continue to serve as trustee.

Others re-elected were: Wilson D. Clark, Jr., and How-Maurice L. Hatch, treasurer; Arthur O. Yeames, clerk; Merwin Ashley, John G. Brackett, Ralph S. Burkard, Harold A. Cahalin, Wilson D. Clark, Jr., Howard E. Cousins, Walter T. Chamberlain, Ernest W. Davis, Roscoe O. Elliott, Harold N. Estabrook, Henry C. Guernsey, Maurice L. Hatch, James O. Holt, Mrs. Arthur J. Mansfield, George P. Morey, Mrs. Robert W. Murphy, Albert H. Perkins, Arthur W. Sampson, Mrs. Harold G. Storke, Miss Edith Winn, Albert W. Wunderly and Arthur O. Yeames, trustees. Mrs. Roscoe O. Elliott was elected as a new trustee.

Re-elected to the executive board were Messrs. Davis, Clark, Cousins, Hatch and Yeames.

Drs. Carl E. Barstow, Daniel J. Buckley, Edward M. Feeley, Stephen G. Jones, Bruce I. Lawley, Ezekiel Pratt, Guy E. Sanger, George P. Towle, Charles F. Atwood (honorary member) were re-elected to the physicians' board. The general staff of the hospital was also re-appointed.

Six new members were added to the corporation. They are: W. Dale Barker, Mrs. Roscoe O. Elliott, James J. Golden, Jr., J. Howard Hayes, Francis Keefe, Paul J. Power and J. Milton Washburn Jr.

E. Vernon Rich, formerly of the Laconia Hospital, who assumed his new duties as administrator of the Arlington hospital last month, presented a brief report to the trustees.

SCOUTS TO COLLECT WASTE PAPER, RAGS

Troop Nine Boy Scouts of America will hold a waste paper and rags collection in Arlington during the week of Feb. 14 to 21. Sections of the East will be canvassed for waste paper, old magazines or rags. A truck will call later at the addresses where material is available.

Friends of Scouting having anything to donate to this drive and who are not visited by a Scout should telephone Arlington 5-3020 or drop a card or the coupon on another page in this issue to Scoutmaster, 28 Cleveland st., Arlington 74. The snow packed streets make the usual system of collecting at this time impossible.

Troop Nine is sponsored by the Episcopal Church of Our Saviour on Marathon st., but a large percentage of the Scouts attend other Protestant and Catholic churches.

Zonta Club Meets

The Zonta Club of Arlington held its first dinner meeting of the year at the Winchester Country Club. An interesting talk on Health was given by Dr. La Rocca of the Massachusetts Department of Public Health.

INJURED IN FALL

Mrs. Georgianna Fanning 74, of Worcester received laceration of the nose when she fell in front of the Heights postoffice Tuesday afternoon. Mrs. Fanning was taken to the home of her daughter, Mrs. Alvin Davis, 26 Cedar ave., in a police cruiser car.

Suspect Who Posed As Infantile Drive Solicitor Arrested

Charged with larceny, a Boston man, who, police say, posed as a solicitor for the March of Dimes and collected money from 10 persons in Arlington, was arrested in Roxbury by Sgt. Fred Lucarelli and Inspector John J. Hourihan of the Arlington police last Thursday.

Wanted by the Boston police on a similar charge, the man was turned over to the Roxbury police after being arrested by the local officers. He appeared in the West Roxbury District Court on Friday. His case has been continued.

Eleanor J. Strong Is Candidate for School Committee

Mrs. Eleanor J. Strong of 48 Irving St., recently issued the following formal announcement of her candidacy for the Arlington School Committee:

"After deliberate consideration of the issues involved, both public and personal, and discussion of the same with a representative cross-section of Arlington citizens, I have announced my candidacy for one of the three places on the Arlington School Committee to be voted upon at the next election. Having made the above decision, I herewith submit a brief and necessarily self-serving statement of my background, education, experience, and consequent qualifications with view to obtaining the endorsement of the voters of Arlington."

"I was born in Arlington, the daughter of Agnes and Francis Maguire (who lived in Arlington many years). After preliminary training in the Arlington Public Schools, I took my bachelor's degree at Simmons College, followed by my master's degree in Education at Boston University. The completion of my formal education was immediately followed by three years of active teaching in the High School grades of the Boston public school system. My marriage automatically terminated my teaching career, but I was able to offer my services, which were accepted, as a substitute teacher in Arlington High School during the war years."

Traveled in Far East

"The circumstances attendant upon my marriage, and my husband's profession, necessitated extensive travel throughout this country and the Far East and, having four sons, the investigation and study of many varied school systems before placing my sons therein. My return to Arlington permitted the completion by two of my sons of their studies at Arlington High School, one of whom is now in the Merchant Marine, while the other is continuing his studies at the University of North Carolina. My other two sons are presently enrolled at Junior High Centre, after attending the Parmenter School."

"I was president of the Parmenter Parent Teacher Association (1943-1945) when that group initiated and successfully sponsored the movement which culminated in what is now known as the Recreation Program."

"As a member of the Junior High Centre Building Committee, my earlier investigation and self-educational days are reawakened and being brought up to date in still another phase of 'school work.'"

"Hence, I feel that my qualifications for the office sought are based on sound and more than adequate formal education, confirmed by active experience, broadened by travel and study of other systems, and modernized and made alive by constant and continuing contact with schools, school work, and the diversified problems pertaining thereto."

TO MARK SCOUT SUNDAY

The Plymouth Congregational Church of Belmont will be host to Scouts of Protestant faith on Scout Anniversary Sunday, Rev. John P. Fitzsimmons, Protestant Scout chaplain of Sachem Council and pastor of the church, has announced plans for a union service on Scout Sunday starting at 3:00 p.m.

Local pastors from the districts within the Council territory have been asked to participate in the afternoon service for which a Scouting program has been arranged. This is the first service of its kind to be conducted in the recently completed Plymouth Congregational Church.

Under the patronage of Archbishop Cushing, the Catholic observance of anniversary Scout Sunday will be held at the Cathedral of the Holy Cross in Boston next Sunday at 3 o'clock.

TO HAVE FESTIVAL

The annual Shrove Tuesday strawberry festival will be held Feb. 10 at St. John's Parish Hall under the auspices of the Order of Sir Galahad. This last parish social before Lent will include dancing, cards, table games and movies. Proceeds will be used to send deserving boys to camp next summer.

Gil Dodds, the "Flying Parson" who broke his own indoor mile record Saturday in New York with a time of 4:05 minutes, will speak before the Men's Class of the First Baptist Church, next Sunday noon.

Dangerous Roofs

The accumulation of snow and ice on roofs is another extremely dangerous hazard which has accompanied the current severe winter.

A contractor warns that "there is grave danger of falling ice from roof eaves just as soon as we have the first mild days. Entrances to front and rear doors beneath ice-clogged eaves are likely to be danger points. Children should be advised to play away from close proximity to the house and automobiles should not be left in driveways where there are overhanging eaves."

Furthermore, there is fear that flat roofs, porches, etc. are not strong enough to withstand the heavy load of snow. A town official suggests that property owners should remove the snow from flat roofs wherever possible to avoid damage to their properties.

Candidates

(Continued from Page One)

other candidates were remained in the race when the deadline for withdrawal arrived at 5 p.m.

Two veteran town officials who will seek re-election next March failed to receive the endorsement of the Arlington Citizens' Committee when the committee's slate of candidates was selected Monday night. They are William C. Adams and James E. Smith, chairman of the Board of Selectmen and the Board of Public Works, respectively.

The Arlington Academy of Music hall was packed to overflowing when John H. Greim, chairman, called the all-important meeting at which the Qualifications Committee presented its recommendations for final approval. Although the atmosphere was tense as supporters of various candidates presented the qualifications of their candidates in an endeavor to overrule the Qualifications Committee's choices, no trouble developed and the latter group was successful in winning approval of its slate.

Joseph A. Purcell was endorsed for Selectman by a vote of 22-11 or Selectman Adams after Vincent Burns had submitted Mr. Purcell's name while Harold Magnuson had spoken in favor of a third candidate, Lawrence E. Corcoran. Mr. Corcoran told the more than 125 persons present that he had been a candidate for the office twice in the past on the principle of efficiency in government, that he had made a thorough study of municipal government, and he would remain in the race.

John L. Murphy, former town counsel, was endorsed for the Board of Public Works over a large field after Atty. Magnuson had presented the qualifications of Herbert D. Stevens, Atty. Burns spoke in favor of supporting Mr. Murphy. After the members at large had voted to endorse Mr. Murphy, George A. Harris said it was time for a change in the Public Works Board and if all candidates remained in the fight, they would split the vote. Therefore, he said he would withdraw and suggested that other candidates follow suit.

The members-at-large endorsed James W. Kider, John H. Allison and James C. Doyle for School Committee by a vote of 57-37 after Torsten Reinsteina had spoken in favor of the endorsement of Mrs. Eleanor Strong, wife of Lt. Com. Robert Strong, hero of the Bataan Death March, while Ralph Stevens had sought support for Brewster Ames.

Arthur W. Sampson, candidate for re-election to the Board of Assessors, was endorsed for another term after which his only opponent, Henry E. Keenan, announced he would withdraw from the contest. Mr. Keenan said he had been given a fair hearing by the Qualifications Committee and he had found that some of his suggestions for changes on the assessments in the Town are a part of a report dealing with the Assessors' Department which will be submitted to the Town Meeting in March. In a spirit of cooperation with the newly-reorganized Citizens' Committee, Mr. Keenan said he would withdraw and support Mr. Sampson.

All other town officials seeking re-election without opposition were endorsed by the Citizens' Committee before the meeting adjourned until next Monday evening.

Members of the Qualifications Committee are William O. Houser, Roscoe O. Elliott, Vincent Burns, Isaac Finlayson and Clarence H. Marsh.

Arraigned on Robbery Charge

Arranged in East Cambridge District Court Friday on a charge of armed robbery, a 21-year-old Winchester man, who was arrested within 10 minutes after he had held up and robbed a gasoline station attendant last Thursday night, was ordered sent to Westboro State Hospital for 35 days' observation.

The defendant, Roland E. Latham of 84 Harvard St., Winchester, appeared before Judge Stone. Latham was arrested by Patrolmen Timothy Hourihan and Peter Greeley after an exciting chase through streets and backyards during which the police officers left their cruiser cars pursued the man on foot, and fired several shots into the air before they seized him.

In the chase, Patrolman Hourihan slipped on a patch of ice and fell to the ground, his head striking the pavement. He was taken to the office of Dr. Edward Feeley where he was treated and later taken home. Officer Hourihan returned to duty this week.

Victim Calls Police

It was before 6 o'clock when Robert M. Barber, 21 of 383 High St., West Medford, an attendant at the gas station at 887 Massachusetts Ave., notified the police that he had been held up by a man who was armed with a revolver. Latham, police said, had taken \$25 from the desk drawer.

Lt. Thomas D. Sullivan ordered all officers notified over the police radio and patrolmen Hourihan, Greeley, Gerald Duggan and John Ryan sped to Massachusetts Ave., and Schouler court in two cruiser cars. About a half-mile from the gas station, Latham was spotted walking along the avenue. Patrolmen Hourihan and Greeley left their car and approached the man on foot. As they did so, he started to run and the chase witnessed by a NEWS representative, started. Pursued by the two officers, Latham ran down the avenue. The chase ended at Water St., in the heart of the business section. Meanwhile, Latham tossed away a Browning type Belgian automatic which police recovered. The revolver was unloaded, police said. Latham was marched back to police headquarters, a short distance away, and later was questioned by inspectors.

At the height of the chase, the police ambulance responded to a call from East Arlington where a man had been stricken ill on a street-car, the ambulance's siren adding still further to the short-lived excitement.

Insurance Policy Pays Hospital Bills

The office of Henry E. Keenan at 801 Massachusetts Ave., is offering an attractive policy to protect families from costly hospital bills. This broader Personal Hospital Expense Policy pays benefits up to \$10 a day for as long as 70 days on each accident or sickness. It covers hospitalization for maternity cases, and pays in full in addition to other personal insurance.

A circular explaining its many advantages is available at Mr. Keenan's office. Incidentally, the policy is not limited to a specified list of hospitals, as in many plans.
